

## Huarong Dadong Dockyard Co. Ltd. ( HRDD )

HRDD was officially opened for business in November 1995. Through its efficient management and technical expertise, HRDD has successfully delivered over 3,000 repair projects to owners globally, among which 93% are based overseas. HRDD has earned a reputation in the global market as one of the best Quality ship repair yards in China and has in the past been listed among the top 3 in China's ship repair industry.

Spanning an area of 1,020,000 sq meters and a coastal line of 2,300 meters, HRDD's yard facilities are equipped with 8 repair jetties, 4 floating docks and one graving dock. The repair jetties cover a total length of over 2,290 meters, while the graving dock and floating dock can accommodate up to VLCC size vessels. With its facilities, HRDD has an annual capacity to service over 300 vessels and 3 offshore repairs/conversions.
